

Western Washington University

2018-2019 Student Health Insurance Plan

Health Insurance Requirement and Eligibility

The plan is available to all Western Washington University students who meet the following eligibility requirements:

- Graduate students taking 3 credit hours or more or 1 credit Thesis are eligible to enroll in this insurance plan.
- Eligible Graduate Teaching Assistants may apply so long as they are considered full-time.
- Undergraduate students must be enrolled in 6 or more credit hours (or physically attending classes at one of the official Extended Education sites) to be eligible to participate in this insurance plan.

Note: Western Washington does NOT utilize the UnitedHealthcare plan for their International Students. They are covered under a separate insurance policy.

Eligible students who do enroll may also insure their Dependents. Eligible Dependents are the student's legal spouse or Domestic Partner and dependent children under 26 years of age. See the Definitions section of this Certificate for the specific requirements needed to meet Domestic Partner eligibility.

The student (Named Insured, as defined in this Certificate) must actively attend classes for at least the first **31 days** after the date for which coverage is purchased. Home study, correspondence, and online courses do not fulfill the eligibility requirements that the student actively attend classes. UnitedHealthcare maintains its right to investigate eligibility or student status and attendance records to verify that the Policy eligibility requirements have been met. If and whenever UnitedHealthcare discovers that the Policy eligibility requirements have not been met, its only obligation is refund of premium.

The eligibility date for Dependents of the Named Insured shall be determined in accordance with the following:

1. If a Named Insured has Dependents on the date he or she is eligible for insurance.
2. If a Named Insured acquires a Dependent after the Effective Date, such Dependent becomes eligible:
 - a. On the date the Named Insured acquires a legal spouse or a Domestic Partner who meets the specific requirements set forth in the Definitions section of this Certificate.
 - b. On the date the Named Insured acquires a dependent child who is within the limits of a dependent child set forth in the Definitions section of this Certificate.

Dependent eligibility expires concurrently with that of the Named Insured.
